

REMARKS

Claims 1-6 have been cancelled. Claim 7 has been amended. Claim 8 is being retained as is without change.

The specification has been amended to set forth the abbreviations in the drawings and to amend page 5, line 2 to overcome the Examiner's objection.

Claim 7 has been amended to overcome the Examiner's 35 U.S.C. 112 objection relating to the use of the words "preventing" and "inhibiting". This will also confirm the telephone conversation with the Examiner wherein the Examiner indicated that if Claim 7 was amended as set forth above and if claims 3 and 4 were canceled, amended claim 7 and claim 8 would be allowed.

In view of the above, claims 7 and 8, the only claims remaining in this application are believed to be in condition for allowance.

Applicant filed an Information Disclosure Statement on September 26, 2006 submitting three Korean references and four non-patent references. Enclosed is a copy of the Information Disclosure Statement filed September 26, 2006 along with a copy of Form PTO-1449 which was attached thereto and a copy of the postal receipt card indicating that such Information Disclosure Statement dated September 26, 2006 was received in the Patent Office on September 29, 2006. IT IS RESPECTFULLY REQUESTED THAT THE

EXAMINER ACKNOWLEDGE RECEIPT OF THE INFORMATION

DISCLOSURE STATEMENT DATED SEPTEMBER 26, 2006.

It is believed that the above attends to all outstanding matters.

Accordingly, issuance of the Notice of Allowance is respectfully requested along with issuance of a statement that the Examiner has considered the Information Disclosure Statement dated September 26, 2006.

Respectfully submitted,
